vendor

n: someone who promotes or exchanges goods or services for money

Vendors are encouraged to participate in Independence Celebrations. They may sell food and/or non-perishable items for profit necessary to support the vendor's business venture or to support its non-profit, charitable principle.

For profit vendors are appropriately licensed businesses. Each business will be reviewed by the Independence Celebrations Committee, Inc (ICCI) to determine suitability for participation in the upcoming event.

Non-profit/charitable vendors may be an Iowa Non-profit, a 501(c) (3), a church or any organization whose purpose is to raise money to support their particular endeavor. These groups may not demonstrate in any manner their reason for existence other than by displaying the name of the group or organization as does a for-profit business. Each non-profit/charitable group or organization will be reviewed by the ICCI to determine suitability for participation in the upcoming event.

A vendor may join the Independence celebrations by making application either verbally, via email or post any time prior to the 1st of June for the July 4th event and 15th of August for the Brew-B-Q. Applications are considered on a first-come first-serve basis.

- b. For non-profit/charitable vendors = 10 percent of gross sales

Vendors will operate from a booth setting in a manner prescribed by the ICCI.

Vendors will not deploy representatives selling or distributing any item.

Vendors are required to protect the area surrounding their booth. Protection includes providing distinct markings for safety and ushering physically or structurally non-vendor personnel out and around the vendor site.
