

July 3, 2011 1:00 PM Start
Check in 12:00 noon

The Wapsi Warrior Challenge is a fitness challenge event that includes speed, strength, agility, and skill. You will attempt 4 fitness challenges (including a 1 mile run or walk), 4 challenges involving skill and LUCK, and speed/agility challenges. All events take place at the River Walks Park in Independence, IA with the exception of the run which will start and finish at the band shell gate on 6th Street NE. You may walk during this event, but the team that follows all the rules and finishes first will be declared the winner. Event officials will have authority to add a *time penalty* to any team if the rules are BROKEN...so don't break the rules! You will get to see the rules at 12:00 noon on July 3 at the Check In table just west of the Band Shell. Because some of the 12 events involve skill, you don't get to practice! Each team must have two members. Each participant must complete this form as well as sign the attached waiver.
